boobalan97ms@gmail.com

## PROFESSIONAL SUMMARY

Experienced Front-End Developer with 1.5 years of expertise in Angular, HTML, CSS, and JavaScript. Proficient in collaborating with cross-functional teams and delivering user-friendly web applications. Seeking a challenging position to utilize my front-end skills and contribute to a dynamic organization, leveraging my knowledge of back-end technologies including MySQL, Express, and Node.js.

## EXPERIENCE

### Front End Web Developer

Zettaone Technologies

Bangalore

02/2022 – NOW

- Developed interactive and responsive user interfaces using Angular, HTML, CSS, and JavaScript.
- Collaborated closely with UI/UX designers to translate wireframes and design mockups into functional code.
- Implemented front-end functionality and ensured cross-browser compatibility
- Conducted thorough testing and debugging to ensure optimal application performance.
- Worked closely with backend developers, utilizing technologies like MySQL, Express, and Node.js, to integrate front-end components with server-side logic.
- Stayed up-to-date with the latest industry trends and best practices in front-end development.

## PROJECTS

### 1. Hidden Brain – Front-End Developer
